

Research group: [Nanomaterials](#)

Interested candidates are welcome to contact **Mato Knez** (m.knez@nanogune.eu).

Candidates should **apply** by completing the form below and attaching the following documents:

1. A complete CV
2. A cover letter and at least two reference letters grouped in a single PDF file

The **deadline** for applications is **26/02/2023**.

NOTES:

(i) All applicants will receive an answer after the end of the selection process; but please note that due to the large number of submissions that are expected, we cannot provide individual feedback.

(ii) Additional information about nanoGUNE's commitment towards [HR excellence in Research and Gender Equality](#) are available on our website.

(iii) We encourage you to subscribe to our [HR mailing list](#) to receive information related to nanoGUNE's open positions and open calls for different training and talent attraction programs.
